How did you do?

Try Book Creator/in Clever
Try Flipsnack/on Internet

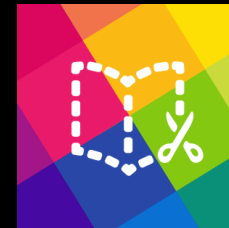

COMPLETE ALL WORK BY WEDNESDAY, APRIL 8TH

Students,

Please use your spare time to familiarize yourself with these two platforms! The first one, Book Creator, is found in Clever. The second one, Flipsnack, requires you to set up an individual account with parent permission! **BOTH ARE FREE!** We will be creating books when we return from Spring Break. *Please use ANY spare time to learn the features of the one you like most! Take a moment to find out what special features each book creator offers. Check it out to see what you can do!* We will be creating memoirs of this unprecedented time in America! Each family's story will be different! Until then, stay safe, healthy, and blessed!
