

# Good Morning!

Today, **YOU** will grade  
the following assignments  
from this week:

- [1] Punctuating Dialogue Sheet from 4/6
- [2] Capitalizing Proper Nouns 4/7
- [3] Capitalization Graphic-O You Made on 4/7

Instructions:

- You will grade your work by clicking on the title of the assignment.
- Look to see if you have the exact same thing I have posted.
- If you do not, DO NOT ERASE YOUR ANSWER! INSTEAD, WRITE THE CORRECT ANSWER OUT TO THE SIDE. NOW MARK THE ITEM WRONG.
- If you DO have the same thing as I have posted, DO **NOT** DO ANYTHING BECAUSE THE ANSWER IS RIGHT!
- We will use this system to keep your page from becoming too confusing!
- Continue this format until all items have been graded.
- When you're done grading a page, count how many items you **got wrong and place that number over how many items are listed on the answer sheet!**

e.g.

Items Wrong / Number of Items = Your Grade

Once you've done this,  
grade the next assignment you've completed!

## Good news!

The Capitalization Graphic Organizer is a  
**PASS/FAIL** task. If you did it, **AND**  
**it's complete, you get a 100!**  
If you didn't do it or it's not completed,  
you get a 50!
